Instructions

1. Captain Selection

First, you will be presented with a list of available Captains. After reading a little bit about them, you can select the one whom you feel you would be most comfortable chatting with about total knee replacement.

Jane S.
From New Jersey

Thank you for selecting your captain. Please select the button below to schedule your first meeting OR choose another captain if you change your mind.

Cari S.
From California

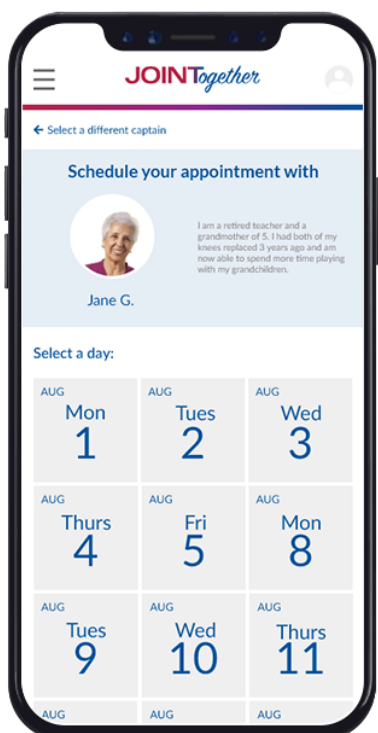

I am a business analyst, I had one of my knees replaced 2 years ago and I am now able to spend more time tending to my garden.

Frank D.
From Texas

I am an industrial designer. I had both of my knees replaced 5 years ago, and since the surgery I have been able to spend more time on site with my clients walking them through my designs.

2. Setting an appointment

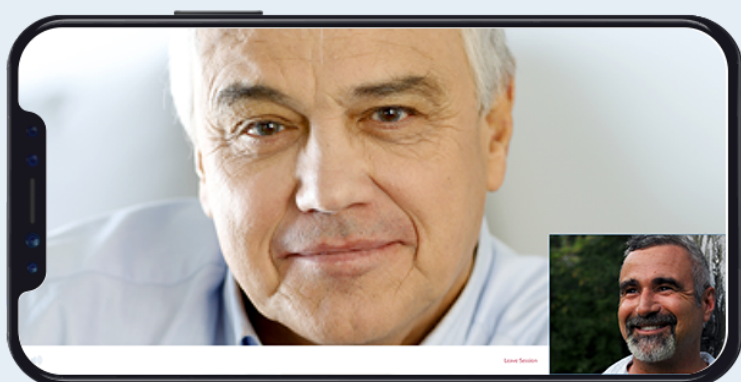

After you have determined which Captain you want to match with, you can schedule your first video chat session. You will be provided a list of days and times to select from.

3. Enjoy your first session

You will be sent a reminder email before your first session. Click the link in your email to start your session.

In this first meeting, you will both share your experiences regarding your journey toward total knee replacement surgery. After the first session, you will receive a notification to schedule your next session.
